

January 4, 1967

TRISTATE AMATEUR RADIO SOCIETY, INC., EVANSVILLE INDIANA

A RESOLUTION

The TRISTATE AMATEUR RADIO SOCIETY, officers and board of directors was called to order, in a special meeting, on January 4, 1967.

We have just learned of the death of our beloved friend RAY MILLER, W9OG. He passed away peacefully, this morning, in the presence of his wife Betty, at Deaconess Hospital. He left us quietly just as he lived his life in Amateur Radio.

For us who are quiet close to him, his death will be mourned, because just now we realize what a friend he is to Amateur's. Ray has worked on every job the Club asked him to do, including President, Treasurer, Board, Emergency Co-ordinator and many more. He gave to Amateur Radio freely, with never a thought of gain for himself. We could go on page after page, telling of his unselfish devotion to his hobby and fellowman.

BE IT RESOLVED:

That Raymond G. Miller be declared a silent key and that his call letters, W9OG, forever will remain silent. That a copy of this resolution go to the FCC for their consideration. That the TRISTATE AMATEUR RADIO SOCIETY be in mourning, at least thru January 1967. That a copy of this resolution be entered in our minutes and a suitable floral decoration sent to his grave, in the name of THE TRISTATE AMATEUR RADIO SOCIETY.
